

Submission To PSC on 25th November 2011 at Kota Kinabalu.

I, Marathamuthu S. (SM Muthu), NRIC No. 490728085815, fully support all of the demands of BERSIH 2.0 for clean and fair elections.

Bersih 2.0's 8 points.

- 1. Clean the electoral roll**
- 2. Reform postal ballot**
- 3. Use of indelible ink**
- 4. Minimum 21 days campaign period**
- 5. Free and fair access to media**
- 6. Strengthen public institutions**
- 7. Stop corruption**
- 8. Stop dirty politics**

The opposition is part of and has its rightful place in a true democracy. Our government has demonised the opposition using all of the licensed media and 'talking opportunities' available to it.

It's time all citizens stood together for fair, free and clean elections. There should be NO race or religious issues raised (especially during elections) to cover up the faults and corruption of the ruling clique.

FIXED-DEPOSIT

Why is Sabah referred to as a fixed-deposit state?

To me it's an insult. May be Sabahans can easily be duped or pleased, 'disusun'?

It's even more insulting when there are local leaders who say that to maintain the 'fixed-deposit' status more funds must be channeled to Sabah.

CIVIL Government as Opposed to a Political Government.

We need statesman politicians, what we have are selfish politicians who only care for themselves and who want to stay in power "at any cost".

Civil servants should be left to do their jobs, with Directors directing their respective departments rather than be directed all the while by politicians.

Is The Government SINCERE?

Is it sincerely trying to solve the problem or is it the root of the problem?

If there's nothing to hide why fear an RCI?

DEMOGRAPHIC DILUTION: Illegal & 'Imported Voters / Bumiputras

Illegal immigrants are not a problem as long as they remain 'illegal'.

The problem starts when they become instant (maggie-mee) citizens and voters. Our ethnic natives are bumiputras but sadly they loose out to these new bumiputras when it comes to getting aid.

We are actually IMPORTING POVERTY and CRIME.

ELECTIONS

I support the call for the announcement of the dissolution of parliament well in advance.

It can be 3 months, 6 months or even 12 months.

I support the idea of a care-taker government.

No project announcements or special allocations unless of critical necessity.

I propose voting age be reduced to 18.

If a person is old enough to be charged in court than he is old enough to vote.

Raising a Motion for an RCI on Instant citizens / Voters

I urge huguan YB Pairin to propose the motion in the state Assembly and Parliament; as to me the greatest tragedy and victims of all these issues are the KDMS.

Thank you.
